

Welcome to the August 2025 Edition.

Hello Tale-Draggers!

The club met on 8/21/25 at McAlister's Deli in Olive Branch.

Runway Project

The Army Corps of Engineers has graded the runway! We are currently discussing potential drainage issues at the "old" south end. This is the same update from the last newsletter. I don't know the status of the installation of the new fabric.

New Business

The online voting results were tallied and put on record.

1. The club will move forward with returning some land back to the Corps
2. The club will move forward with purchasing a high quality used commercial mower

We are planning a Fun Fly for October 11th with a rain-date of November 1st or 2nd. Activities that we are discussing:

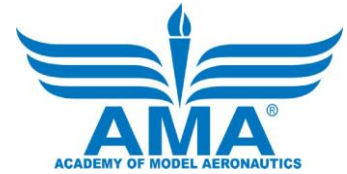

- Blackjack
- Hoops
- Rodeo Race
- Speed Cub

Keep your eyes open for more info soon!

"Local" Events

There are a lot of great events happening in our area.

Special thanks to Joe Cutolo for forwarding these opportunities.
