

Welcome to the January 2026 Edition.

Hello Tale-Draggers!

The club met on 1/15/26 at McAlister's Deli in Olive Branch.

The Meeting centered around the upcoming NMRCC Spring 2026 Fly-In. This event is coming soon and is only 3 months away, hard to believe since we haven't even really had our winter yet.

Dates for the Event are April 18th and 19th, with bad weather back up dates of May 2nd and 3rd.

Contests to be held at the event will be:

1. Blackjack – Land on the grid to draw a card from the board, minimum 2 cards to establish your hand, additional landings can be made to gain additional (Hit) cards.
2. Speed Cup – The speed cup is back, Log your fastest run on the GPS module to compete for the title. (Time to break out all those secret projects)
3. Best Scale in Show – Bring your best scale model (airplane/helicopter), crowd and contestants will vote for the winner, flight not required but could gain favor.
4. Last Man Standing – New Event – Designed for Aero-scout and 3S foam Aircraft/Heli's, all AC will launch within a 10 sec window. Be the last to land (Must be on/near runway) and you will win.
5. Limbo – New Event - Be the first to claim a NMRCC Limbo plaque, get under the lowest limbo bar to win. Runs will start at 3 feet and get lower each round, 3 attempts allowed for each height.
6. Best Crash – Self-explanatory.

Plaques will be given for each of the 6 Contests.

A raffle ticket for the Event Raffle will be given to whoever competes in events (4) and (5).

More information to come about the event raffle.

We will also have the "Members Only Raffle" to give away an Aero-scout. Tickets for this raffle are only obtained by attending club meetings.

Only 3 more meetings left before the giveaway.

Must be at the Spring Event to win, we will draw until there is a winner present.
