

Welcome to the February 2026 Edition.

Hello Tale-Draggers!

The club met on 2/19/26 at McAlister's Deli in Olive Branch.

Maintenance Day

A Maintenance Day was scheduled for April 11, 2026, prior to our next event.

Items to be addressed include:

- clearing brush from the south fence line
- removing broken tables
- replacing the windsock
- fixing charge ports
- runway touch up
- porta potty servicing
- mowing

The purchase of new cross ties was tabled at this meeting and is still to be decided.

The Vice President has purchased and will be setting up a solar powered battery charger to put on the Tractor as well as a battery cut-off switch. Mowing season is quickly approaching please get with the VP if/when you can assist.

Spring Fun Fly 2026

Additional changes and suggestions were brought up for our next event on April 18th and 19th. The trophy for "Best Scale in Show" is now going to be the "Best in Show", to include all models, not just scale.

An anonymous donor gave the Club \$100 for the purchase of flight simulator software for the Club President to give away to one of the youths that attend our Fun Fly.

The Club President has brought in another sponsor, Apex Aerotech, to our event whose pilots are planning to attend for flight demonstrations of their new line of aircraft and have donated a 60-inch kit to our raffle, a \$450 value. <https://apexaerotech.com>

Our previous sponsor, who also is anticipated to be in attendance is Extreme Flight. <https://extremeflightrc.com>
