

Welcome to the June 2026 Newsletter.

Voting has closed and the new NMRCC Club Officers for 01 JUL 2026 – 30 JUN 2027 are:

President – Sean Jensen
Vice President – Joe Cutolo
Safety Officer – Paul McNeil
Treasurer – Joe Cutolo
Secretary – Paul Zarychta

Huge thanks to the Officers who served this past year!

Runway update: Installing the last 100 feet of runway was discussed. Now that we have had time to observe the drainage ditch work during rainy season it has proven to be effective, we plan to move forward in finishing the remaining new extra 100 feet of runway. We look forward to setting up a maintenance day soon to complete this task.

Patches: Club patches have been made and received. Each member will receive one free patch and may purchase additional patches at \$5 each. Some patches were given out at last month's meeting and some at the field on Saturday, for those that I normally see at the field on weekends, I will bring your patch there. For those that I don't see often, I will mail them out on the 10th of July, please ensure your mailing address is correct on the Club Website before July 9th. See the VP to purchase extra patches.

Fun Fly: Having a Club Member only Fun Fly was discussed. Based on other events in the area, the dates that were chosen to be put up for vote are August 29th or September 12th. A poll will be posted to vote on which date we will have the event.
