

Welcome to the August 2026 Edition!

Hello, Tale-Draggers!

The club met on August 20, 2026, at McAlister's Deli in Olive Branch.

At our previous meeting, we discussed the possible purchase of an AED (Automated External Defibrillator). The AMA offers a \$250 grant toward the purchase of an AED, so the club took some time to discuss whether we should purchase one for the field.

After discussion, the members present voted unanimously against purchasing an AED, with liability concerns being the primary reason.
