

Welcome to the September 2026 Edition!

Hello, Tale-Draggers!

GATE CODE HAS BEEN CHANGED If your membership is current you should have gotten an email with the new code.

The club met on September 17th, 2026, at McAlister's Deli in Olive Branch.

During the meeting, we discussed the Members-Only Fly-In and decided to combine it with our upcoming **Maintenance Day on October 17th**. We'll spend the first part of the day taking care of needed maintenance around the field and facilities, then enjoy some flying afterward. **Lunch will be provided**, and we hope everyone can come out, lend a hand, and stick around for some flying once the work is finished. We'll share additional details and finalize the plan at the **October 15th Club Meeting**.

Safety Officer **Paul McNeil** picked up a new first aid kit for the field. It will be placed either on or inside the charging station so it is easily accessible when needed.
